

# Thank you!

*Through the support of teams like you, we were able to donate more than **\$100,000** to Bike MS this year through the Primal Gives Back program.*

As a member of a team that participates in **Bike MS**, Primal wants to help you raise additional funds for your team. We know that every dollar you raise will count towards advancing research, increasing awareness, improving support and one day finding a cure.

Primal will not only assist you in the design process, but we will also complete order fulfillment and ship your products with no additional fees.

If your Bike MS team places a custom apparel order through Primal, we will **donate 15%** of the order total directly back to your team's fundraising account.

Let us help your team reach its fundraising goals this year.
